Momchilovtsi resort

Momchilovtsi is situated 14 kilometers north of Smolyan and 12 kilometers east from Pamporovo high in the Rodopi Mountain. It is 1050 meters above the sea level.

Momchilovtsi offers a brand new piste for snowboarders in the heart of the Rodope Mountain. It is known as the snowboard park - a place for never ending party. The park is attractive because it is brand new and still not commercialized. The small piste is serviced by two mini drags. The small village is proud to have a Centre for mountain Sports and Tourism where everyone can receive useful information for their stay in the site. The small resort offers mainly family guest houses and small complexes, at very reasonable prices to the visitors. There are several local restaurants that will definitely complete your pleasant stay.
