Pamporovo ski resort

The ski area Mechi Chal, Chepelare is a part of the ski area of Pamporovo. The new name of the resort is Pamporovo-Mechi Chal.

Both ski areas are connected by shuttle buses that connect the main ski centers Pamporovo / Malina Ski Center 1/ and Mechi Chal ski center.

The buses run on schedule with an interval of 15 minutes.

All customers who bought ski pass and ski packages in Pamporovo for the next winter season will get a bonus riding in the ski area of Mechi Chal.

One lift pass will be used in both resorts and all ski packages purchased in Pamporovo will be valid for the ski area Mechi Chal.

Open: December – April
Downhill: 37km

Location

Pamporovo ski resort is located 85 km from Plovdiv and 240 km from Sofia. The resort is situated on 1650 m above the sea level in the Rhodopi mountain at the foot of Snejanka peak (1926 m).

Resort information

Pamporovo is the sunniest Bulgarian mountain resort. The winter here is soft with 120 sunny days. The ski pistes are covered with snow throughout the whole skiing season that lasts from December till April. The average air temperature is - 3 °C.

The rounded mountain slopes and summits are suitable for skiing and snowboarding for beginners. For advanced skiers there are difficult ski runs like "the Wall".
Medical and dental services

Ambulance, first aid on the ski slopes and clinic as well as 24 h a day emergency ski patrol service are available. Fully equipped hospitals, pharmacies and dentists are available in the town of Smolyan and in Chepelare resort.

All dental services and some medical services must be paid in cash to the doctors or clinics. They should provide the necessary receipts, bills and invoices describing the cost and the service, so that you can claim back the expense to your insurance company. In case of injury you should inform your insurance company and follow its instructions.
